BARBARA HELENE FLISKOW
CRIME ABOARD AIRCRAFT

Captioned individual, a 38-year-old former psychology professor, reportedly a member of the White Panther Party, and associate of Black Panther Party members, was taken into custody by FBI Agents at Detroit Metropolitan Airport this morning after local authorities received a tip that an attempt would be made to hijack American Airlines Flight 124 from Detroit, Michigan, to New York City.

A bomb fashioned from several sticks of dynamite and a pistol were found in her handbag. In addition, her handbag contained a drawn portrayal of Fliskow sitting in an aircraft, as well as two notes, one of them signed "Black Liberation Army" indicating a plan to hijack the aircraft after demanding two Black Panther Party members, presently incarcerated in the Wayne County Jail, Detroit, Michigan, be escorted to the airport and turned over to Fliskow. One of the notes described this as a "new chapter" in the liberation of black people. It was indicated that she would detonate the dynamite by gunfire if the crew was not cooperative. Fliskow will be charged today, according to the U. S. Attorney's Office in Detroit, Michigan, with violation of the Crime Aboard Aircraft Statute.

Our files show that Fliskow was born September 14, 1933, in Detroit, Michigan, and was a former psychology professor at Wayne Community College, Detroit. It is reported she is an admitted member of the White Panther Party; and she has acted in close association with the Black Panther Party. Fliskow is reported to have advocated anarchy in the United States as the only solution for the problems of the world, stating people should take up the gun and fight the establishment.

Investigation in this matter is continuing.

APPENDIX

1 BLACK PANTHER PARTY, also known as Black Panther Party for Self Defense

According to the official newspaper of the Black Panther Party (BPP), the BPP was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by Bobby G. Seale, BPP Chairman, and Huey P. Newton, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education George Murray. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

David Hilliard, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said, "We will kill Richard Nixon."

David Hilliard, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture Emory Douglas as follows:

"The only way to make this racist U. S. Government administer justice to the people it is oppressing, is . . . by taking up arms against this government, killing the officials, until the reactionary forces . . . are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U. S. Government."

The BPP headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the U. S.

APPENDIX1
YOUTH AGAINST WAR AND FASCISM

A source advised on March 29, 1965, that the Youth Against War and Fascism (YAWF), formerly known as the Anti-Fascist Youth Committee, was established by the Workers World Party (WWP) in the summer of 1962 to bring college and high school youth into the periphery of WWP activities and thereby gain recruits for the organization.

A second source advised on October 23, 1964, that a flyer distributed by the YAWF describes that organization as a militant organization of young workers and worker-students for combating war and fascism.

The first source advised on May 1, 1970, that the YAWF maintains its headquarters at 58 West 25th Street, New York City, and publishes a magazine called "The Partisan."

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

Records of the MPD, Gun Control Unit revealed the following individuals, without claiming any affiliation with the Hanafi American Mussulmans, applied for gun permits on the indicated dates:

James Henry Crittenden	April 19, 1972
Reginald Hawkins	April 19, 1972
James Wesley Thornton	April 20, 1972
Alfonso Spencer James	April 20, 1972
Daud Khaalis	July 7, 1972
Lonnie Harrison	August 5, 1972
Steven Purcell Wright	August 9, 1972
Francine Elizabeth Wright	August 9, 1972
Chalaine James	August 9, 1972
Bibi Khaalis	August 9, 1972
Denise Chapman	August 11, 1972
Eunice Cuyler	August 11, 1972
Umme Salma Salim	August 11, 1972
George Wilford Smith	August 11, 1972

On October 16, 1972, the above mentioned MPD spokesman advised all of the applicants for gun permits were approved and permits issued, however, the only utilization of a permit was in connection with the purchase of a shotgun by Daud Khaalis on August 16, 1972. On that occasion, Khaalis purchased a 12 gauge Remington Automatic shotgun, 26" barrel, blue finish, maximum five rounds, serial number L 529 613 V, from Atlas Sporting Goods Store, 800 E Street, Northwest, WDC. The gun was registered in accordance with the law within forty eight hours with the MPD Gun Control Section.

Confidential sources of the Washington Field Office, Federal Bureau of Investigation (FBI), familiar with certain aspects of extremist activity in the WDC area, were initially contacted concerning the Hanafi Mussulmans organization and the above identified officers and members, with no information developed to indicate any known current participation in extremist activity, or clarification as to the nature and true

purpose of the organization. This inquiry did reveal, however, that on April 20, 1972, WF T-2 had advised that over a two day period, April 19-20, 1972, two unidentified Negro males purchased a total of thirty five machetes from Potomac Arms, Old Prince Street, Alexandria, Virginia. The source obtained the license number of the vehicle used by the unknown subjects which in turn was determined to be registered to Alfonso James, whose birth data matches the Alfonso Spencer James, identified above as an officer of the Hanafi Mussulman Rifle and Pistol Club.

Public records available at the WDC Recorder of Deeds Office, reviewed on September 12, 1972, disclosed the current owner of the property at 7700 16th Street, Northwest, identified above as the headquarters of the Hanafi Mussulman organization, is F. Lewis Alcindor, who was deeded the property by Rita P. Cannon on April 20, 1971.

D.C.
Alcindor is identical to the well known professional basketball player, currently with the Milwaukee Bucks, who recently adopted the Moslem name, Kareem Abdul Jabbar. The representative of the MPD advised on September 12, 1972, that although Alcindor is listed as the owner of record of the property, officers of the MPD, familiar with this location, have stated Alcindor does not in fact maintain a residence there. WDC City and Criss Cross directories make no reference to Alcindor at this address, but indicate an individual named Abdul Aziz is the current resident.

The following is a summary of information concerning individual members of the Hanafi Rifle and Pistol Club, who were determined to be identical to individuals about whom previous information had been developed during the course of other investigations conducted by the FBI:

Hamaas Abdul Khaalis

(listed as member, Date of Birth August 30, 1922, resides 7700 16th Street, Northwest)

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

Khaalis was indicted on a Bank robbery-Extortion charge in June, 1967, at which time it was determined his true name at birth was Ernest Timothy Mc Ghee, same date of birth as above. He was arrested by FBI Agents in a WDC telephone booth on June 9, 1967, after a bank manager had placed bait money there on direction from an unknown telephone caller who had threatened the family of the bank manager. Review of records of the Veterans Administration at that time disclosed while in the army, Khaalis was examined and diagnosed insane, and judged to be a danger to himself and others if released from hospitalization he then was receiving. He was later diagnosed as "schizophrenic reaction, in partial remission, competent". The indictment charging him with violation of the bank robbery statute was dismissed in United States District Court, Baltimore, in December, 1970.

During this investigation, Khadyja Khaalis, who also appears above as a member of the Rifle and Pistol Club, was identified as his wife.

In January, 1958, WF T-3 identified Ernest MC Ghee as a member of the Nation of Islam (NOI), who in January, 1958 was the secretary of Temple Number Two of the NOI, Chicago, Illinois.

The NOI is an all-black nationwide organization headquartered at Muhammad's Temple 2, 5335 South Greenwood Avenue, Chicago, Illinois, under the guidance of Elijah Muhammad, self-styled "Messenger of Allah" and only divinely appointed leader of the black race in the United States. Its purpose is separation of the black man from the devil (white race) through establishment of a black nation.

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

Ernest Timothy Mc Ghee was interviewed by Special Agents of the FBI on August 17, 1959, at which time he admitted his past membership in the NOI and the Fruit of Islam (FOI). He stated he resigned from the NOI in September, 1958, due to the "arrogance and deceitfulness of the National Captain of the FOI; the family oligarchy established by Elijah Muhammad, and the Gestapo tactics of the NOI Temple officers in Chicago."

The Fruit of Islam (FOI) is a military-type group within the NOI composed of adult male members. Its purpose is to protect officials and property of the NOI.

WF T-4 advised on November 5, 1964, that Ernest Timothy Mc Ghee had not been associated with the NOI for several years.

In April, 1966, Hamaas Khaalis appeared at the New York Field Office of the United States Department of State and inquired about renouncing his United States citizenship and traveling to Red China with wife and children. He advised his given name was Ernest Timothy Mc Ghee, and was accompanied by his wife, Khadija, sons Daud and Rahman Uddein, ages 18 and 4; and daughters Amina and Maryann, ages 15 and 6. He advised he was an instructor and member of the Hamafi Mussulman Religion, and planned to continue his efforts to teach the Hamafi Mussulman Religion in Red China, if he elected to go there. When asked if he would be critical of the United States in the event he went to China, he stated he would be as critical of the United States as it was critical of him.

An article appearing in the New York Herald Tribune, March 10, 1966, edition, reported concerning the Hamafi Mussulman Religion, stating the building housing the Black Arts Repertory Theatre, owned by Leroi Jones, known anti-white Negro playwright, became on March 9, 1966, the Hamafi Mussulman School of Islam which teaches the basic principles of Islam. Hamaas Abdul Khaalis was identified in the article as the "brother in the movement who would teach the basic principles of Islam".

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

On March 18, 1966, the "New York Herald" carried a story captioned, "Arms Cache Seized in Harlem Theater" stating a "Harlem terrorist group occupying the building where Le Roi Jones operated his short-lived black arts repertory theater was believed to have been thwarted yesterday."

"In the theater, in a rundown four story brownstone at 109 West 130th Street, police wearing bullet proof vests found an arms cache Wednesday night that included a gaint slingshot, a crossbow with arrows, carbine, a 2½' machete, a bailing hook of the kind normally used by long shermen, a small home made bomb, and the butt end of a weighted pool cue.

"Police also found some marijuana and in the basement, a shooting range from which one shot, that missed, was fired at raiding officers.

"After six men were booked, one police official said that the building was occupied by a new secret organization, "of extreme black nationalists", known as the ~~Pakistani~~ Muslims and Mussulmen".

The newspaper article identified the six individuals arrested, all from New York City, including an individual named Abdul Aziz, age 24, 2405 Seventh Avenue, New York.

There were no further details available regarding this incident or ultimate disposition of the case. On November 16, 1966, a representative of the Bureau of Special Services, New York City Police Department, advised the Black Arts Repertory Theatre, referred to above, had been out of existence since March, 1966, and that there had been no activity by the Hanafi Mussulmen at the location since March, 1966.

Abdul Aziz

(Not listed as member of the Hanafi American Mussulman Rifle and Pistol Club, but identified as current resident at 7700 16th Street, Northwest

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D. C.

Records of the Identification Division, FBI, reveal arrest record for Abdul Aziz, true name Jan Leighton Triggs, date of birth December 8, 1941. In addition to the arrest by the New York City Police Department (NYCPD), on March 16, 1966, referred to in above "New York Herald" newspaper account, Aziz was again arrested on two counts of robbery (Gun) and one count of attempted bank robbery on April 1, 1966, by the NYCPD.

Details regarding the April 1, 1966, arrest were furnished by Detective Howard Schaetzle, 32nd Squad, NYCPD on October 17, 1966, reporting that Aziz and three others were arrested following an unsuccessful attempt to rob the Chase Manhattan Bank, 135th Street and Fifth Avenue, NYC. Aziz was identified as the driver of the getaway car, and he was arrested during the late evening, April 1, 1966, having in his possession a .38 calibre revolver, identified as the gun which had been taken from a bank guard during the course of the bank robbery attempt. On June 27, 1966, Aziz was found mentally incompetent to stand trial in New York State Supreme Court.

Records of the Credit Bureau, Incorporated, WDC, reviewed by a representative of the FBI on September 13, 1972, identify Abdul Aziz, 7700 16th Street, Northwest, WDC, as the owner and operator of Aram Jewelers, 1226 Wisconsin Avenue, Northwest, as of September 9, 1971. *W. H. ...*

Abdul Latif

(identified by WF T-1 as member of the Hanafi Rifle and Pistol Club, date of birth April 30, 1943, residing 1707 Irving Street, Northwest)

HANAFT AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

One of three individuals arrested with Abdul Aziz in the April 1, 1966 attempted bank robbery referred to above was identified according to Detective Schaetzle; supra, as Abdul Latif, true name Carl Roper. Records of the Identification Division, FBI indicate this individual was born April 30, 1943 at New Rochelle, New York. He was sentenced to an indefinite term at the New York City Penitentiary by the Supreme Court of New York, on November 22, 1966.

On October 16, 1972, WF T-5 obtained a pocket-sized booklet titled "Look and See", which identifies the author as Hamaas Abdul Khaalis, and is documented as published for the "Hanafi Madh-hab Center, Islam Faith, United States of America American Mussulmans Headquarters, A.S.F.M.I., 7700 16th Street, Northwest, WDC."

The 113 page booklet described the Hanafi Mussulmans as a "Standard of Mankind; a standard in practice and in living an upright life." It states in part that "Hanafi has many meanings"; that Hanafi means "the pure, the clean through, upright, those who fear to the death only Allah; it is unswerving, not deviating, not innovating from the Way of the Prophets Side."

Review of the booklet by a representative of the FBI discloses it continues throughout in a religious vein, including phrases and verse, in a rambling style, referring frequently to "Mussulman" synonymously with "Muslim." The booklet appears to be directed for the benefit of Asian, African and Arabian people, but it calls upon the betterment of America as its goal, and proclaims its allegiance to the United States. The booklet makes no reference to the collection or maintenance of weapons, nor any call for violent activity.

With regard to "A.S.F.M.I.", which appears in the publishing documentation of the booklet, "Look and See", the following was determined through public records of the Department

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

of Licenses and Inspections, District of Columbia, which were checked by a representative of the FBI on October 2, 1972:

A certificate of Occupancy was granted to the American Social Federation for Mutual Improvement, Incorporated (ASFMI), of New York, to operate a retail store for the sale of jewelry, clothes and objects of art, the trade name of the store to be the Aram Jewelry Store, 1226 Wisconsin Avenue, Northwest. The certificate was awarded to Abdul Aziz as representative of the above corporation.

WF T-5 advised on November 17, 1972, that meetings are held each Sunday afternoon at the Hanafi American Mussulmans Headquarters, 7700 16th Street, Northwest. The meetings appear to be limited to members of the organization and those attending by invitation of a member. WF T-5 was in a position to state that one such meeting was attended by approximately ten males and seven females; another meeting by approximately six males and three females. The following additional information was obtained by WF T-5 concerning the Hanafi American Mussulmans Organization:

Hamaas Abdul Khaalis is the leader of the Mussulmans Organization and appears to the above source to be mentally unstable. He claims to have known personally all presidents of the United States since Harry S. Truman, and states he was able to foresee, in 1963, the death of President John F. Kennedy; that he had conversations with the mother of Kennedy's assassin, Lee Harvey Oswald, and believes the Kennedy assassination was a Jewish plot. WF T-5 had once heard Khaalis state the Hanafi Mussulman organization is anti-semetic, but no specific reference to indicate the basis for the anti-semetic position.

Khaalis has been known to state a "true Muslim" can foresee certain things; claiming he had been foretold that Sonny Liston would die prior to the death of the former heavyweight boxer.

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

Khaalis claims the Islam advanced by the Mussulmans Organization is the true Islam, which came originally from India, and although not a prophet of Allah, he has been chosen to teach the true Islam. According to Khaalis, the true Mussulman teaches love and not the ideology of other black groups such as Elijah Muhammed, leader of the Nation of Islam, or Malcolm X. Khaalis has been known to state in the past his organization disdains the civil rights movement, and he has been heard to refer to prominent past civil rights proponents as "Martin Luther Coon" and "Ralph Abernasty", and to classify blacks who preach the Pan-African concept as "bushy hairs". Khaalis in his writings and oral statements has proclaimed the United States as the home of the Mussulman, not Africa.

Concerning the Hanafi Rifle and Pistol Club, WF T-5 learned the club has been in the formative stage for several months and recently obtained some sort of charter. Khaalis has been heard to state classes in karate and self-defense were also going to be taught, and this was all necessary to be able to "deal" with the "bushy hairs" if the occasion should arise. He claims plans to recruit 20,000 members for the rifle and pistol club.

WF T-5 advised people use the Juniper Street side door to enter and exit the premises at 7700 16th Street, Northwest. A sign is on display in the hallway ordering no smoking, no narcotics, nor dangerous weapons. Individuals entering are usually searched. The living room on the ground floor facing 16th Street is used for prayer and other meetings, those entering being required to remove their shoes. Small mattresses are on the floor and are utilized for sitting during the meetings. The living room wall is decorated with several different kinds of machetes and swords. There is no indication of any target or storage area for weapons on the first floor.

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

Khaalil has never been heard to advocate any acts of violence except for self defense. He has never urged for confrontation with police, and to the contrary has instructed that no true Muslim would violate the law.

Contact with the MPD has disclosed no applications for additional gun permits since August, 1972, from individuals who appear to be affiliated with the Hanafi Mussulmans Organization. MPD investigation, according to the MPD representative mentioned earlier in this memorandum, has disclosed that on August 17, 1972, Alfonso Spencer James purchased three "Marksman" .177, twenty shot BB repeater pistols, a common target shooting weapon for which gun permit is not required for purchase, and on September 13, 1972, a pellet trap for retrieving pellets from a BB pistol of the type purchased on August 17, was obtained by James. All of these purchases were made at the Atlas Sports Store, 800 E Street, Northwest.

Investigation conducted as of November 15, 1972, including the observations of WF T-5, and other confidential sources, has developed no information to indicate ~~Lew Alcindor~~ (Kareem Abdul Jabbar) is actively affiliated with the Hanafi Mussulmans Organization. *F. Lewis Alcindor*

WF T-1 through and including WF T-5 have furnished reliable information in the past.

Referenced LHM is not being disseminated at HQ and local dissemination should not be made. In that regard, you failed to indicate that the LHM was disseminated to Secret Service locally as would normally be called for. The LHM is not deemed suitable for dissemination in view of the following items.

Paragraph 1 of the LHM was incomplete as to the crime concerning which subjects were convicted and relative background of the case. The last sentence in that paragraph is especially unmeaningful because of the lack of background information. AS you are aware, such an LHM should be able to stand on its own, it only being necessary to furnish background in a succinct form in order to bring the reader up-to-date.

The LHM refers to sons of Washington, D. C., Superior Court Judge Leonard Braman with the spelling of their last name as Breman. In regard to information relating to the sons of Judge Braman, it would be desirable for you to include this information in the LHM in chronological order.

On page 2 of the LHM, paragraph 4 does not identify the person for whom the record of arrests was found.

The second paragraph on page 3 of the LHM is administrative in nature and does not belong in the LHM; however, such could be included in cover pages.

Bureau notes that on two occasions in the LHM, paragraph 4 on page 1 and paragraph 3 on page 2, you set forth results of investigation without accounting for how the information was obtained. This is an undesirable practice and should be avoided in future submissions.

A rereading of paragraph 6, page 2 of the LHM, will reveal to you that it gives the erroneous impression that subject was "incarcerated for the purpose of preparing a pre-sentence report."

Because there has been no other communication submitted for disseminative purposes, containing information set forth in the referenced LHM, another LHM should be submitted, prepared in accordance with above-mentioned items. Insure your cover communication accounts for local dissemination to Secret Service and to U. S. Marshal.

NOTE:

LHM submitted with WFO airtel 7/25/74 does not set forth background information regarding the Hanafi murders in Washington, D. C., in 1/73. Seven persons were murdered at the Hanafi American Mussulman's Rifle Club, an orthodox Islamic group on 1/18/73 and seven males associated with the Nation of Islam in Philadelphia were charged with the murders. The presiding judge in the trial of the seven men charged with the mass murders, Judge Braman, has two sons, one attending East Carolina State University, Greenville, North Carolina, and the other attending Vanderbilt University, Nashville, Tennessee. Results of investigation concerning possible harassment of the Judge's sons were set forth in the LHM and need to be reported in form suitable for dissemination because of possible OOJ aspects.

HANAFI AMERICAN MUSSULMAN'S
RIFLE AND PISTOL CLUB,
MURDER TRIAL,
WASHINGTON, D. C.

On July 9, 1974, convicted defendants Theodore Moody, William Christian and John Clark were sentenced to seven consecutive life terms each. The conviction of John Griffin, however, was set aside.

On March 31, 1974, Judge Leonard Braman advised through the United States Marshal's Service, Washington, D. C., that his son, Barrett Breman, who attends East Carolina State University in Greenville, North Carolina, had been recently harassed by several Negro males driving a late model Cadillac bearing District of Columbia (D.C.) License 933-350 or 933-530.

Barrett Breman advised a representative of the FBI on March 31, 1974, that he was walking alone in downtown Greenville, North Carolina, on the early morning of that date when he observed the above vehicle. He was not contacted or accosted by the occupants, but was suspicious because the automobile had District of Columbia plates.

Subsequent investigation revealed that D. C. License 933-350 is registered to a Helen C. Meaze, 3831 Porter Street, N.W., Washington, D. C., and D. C. License 933-530 is a non-existent license.

On April 23, 1973, a representative of the Metropolitan Police Department (MPD) advised that attempts to locate anyone at the above Porter Street address met with negative results and a search of MPD records reflected no information regarding Helen C. Meaze.

ENCLOSURE

HANAFI AMERICAN MUSSULMAN'S
RIFLE AND PISTOL CLUB

On April 10, 1974, a representative of the MPD advised that he had received the following information regarding an incident in Nashville, Tennessee, where Judge Breman's second son, David Breman, attends Vanderbilt University in that city:

At approximately 3:00 a.m. on April 7, 1974, a Negro male appeared at the residence of one Steve Bonner, a personal friend of David Breman, 2113A Acklan Avenue, Nashville, Tennessee, and inquired whether a Dave lived there. Bonner then told this individual that no one by the name of Dave lived there and this individual then departed. The individual was described by Bonner as a Negro male, age 25-30.

Investigation at Nashville determined that the above individual who visited Bonner was one Roger Parnel Oden, who was looking for the home of one David Graham, a friend who resided in the neighborhood. Oden reportedly had been drinking and was seeking a night's lodging with his friend.

Records of the Nashville, Tennessee, Police Department, reflect six drunk and disorderly arrests since 1970, and one narcotics possession arrest in 1971.

On June 24, 1974, a representative of the United States Marshal's Service advised that his office and Judge Braman had just received a pre-sentence report from the District of Columbia Probation Office (DCPO) which reflected the following information:

On June 19, 1974, Probation Officer Donald Pryor, DCPO, interviewed convicted defendant William Christian at the Baltimore City Jail, Baltimore, Maryland, where he is currently incarcerated for the purpose of preparing a pre-sentence report.

HANAFI AMERICAN MUSSULMAN'S
RIFLE AND PISTOL CLUB

During the course of the interview, while discussing concurrent and consecutive sentences; Christian stated "The Judge won't live that long". When pressed about what he had meant by that statement, Christian stated that with the long sentence which he was facing, he would outlive the Judge and that in general the fate of everyone responsible for the prosecution of the Hanafi case, including the police, the prosecutors and the Judge was in Allah's hands.

Continuous contact with Judge Braman has been maintained, and he has been furnished, on a continuous basis, information regarding the Nation of Islam.

On July 19, 1974, Judge Braman was interviewed in his chambers, at which time he advised that neither he nor his family had received any additional information of a threatening nature. Judge Braman stated that he still had United States Marshal protection and would have this protection until defendants Harvey and James Price stand trial, which is tentatively set for September 9, 1974.

NOTE:

Captioned organization has not been involved in acts of violence or terror since brought to our attention in late 1972 and other than the application for gun permits by certain members of this group, the group has been directed toward religious study. The Hanafi Mussulman organization has indicated it is anti-Semitic and has spoken of well-known civil rights leaders in the United States as "bushy hairs." The United States is claimed as the home of the Mussulman, not Africa. In view of the mass murder of members of captioned organization and the distinct possibility that extremist and/or terrorist groups are involved, we are issuing instructions to immediately contact appropriate informants in an attempt to identify these individuals and to develop motives for these killings.

A memorandum dated December 1, 1972, captioned as above, set forth predication for investigation of the Hanafi American Mussulmans Rifle and Pistol Club and identified members of the organization, setting forth available background information regarding certain individual members. It is recalled the organization's headquarters is located at 7700 16th Street, N.W., Washington, D. C., and that Washington, D. C., public records disclosed the owner of this property to be F. Lewis Alcindor, who is identical to the well known professional basketball player who currently uses the name Kareem Abdul Jabbar. Wise

An article appeared in the November 25, 1972, edition page D6 of the "Washington Post", a Washington, D. C., daily newspaper, captioned "Area Real Estate Transfers", setting forth the following:

"Milwaukee basketball player Kareem Abdul-Jabbar sold a property at 7700 16th St. NW, to The American Social Federation for Mutual Improvement. No price was indicated in the recent realty transaction."

The American Social Federation for Mutual Improvement (ASFMI) is identified in the above-mentioned memorandum as a corporation, incorporated in New York to operate a retail store for the sale of jewelry; certificate being awarded to Abdul H. L. 12

ENCLOSURE

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB, WASHINGTON, D.C.

Aziz, identified in the memorandum as the current resident at 7700 16th Street, N.W. ASMFI also appears in the documentation of publishing data of a booklet titled, "Look and SEE", identified in the memorandum as an official publication of the Hanafi Mussulmans Organization, 7700 16th Street, N.W.

With regard to the above, the following reproduction of an item appearing in "The Hilltop", Howard University, Washington, D. C., campus newspaper, edition of November 17, 1972, is set forth in its entirety:

The Mussulmen (Muslims) do not expect all Mankind to believe and practice Islam - that would be going against prophecy - but we can work toward respect for each other and all Mankind. Basically, all men have some good and it is this good, irregardless of what quantity or quality it is, from

which respect for others must come.

The Hanafi Mussulmans are a STANDARD OF MANKIND, a standard in practice and in living an upright life. The Hanafi Mussulman strives continuously to remain on the Righteous Path to Allah, and to

follow in the ways of the Holy Prophet Muhammad (S.A.S.), of nearly 1,400 years ago. Hanafi has many, many meanings, but for the sake of space, it means the pure, clean through, upright, those fearing to the death only Allah, unswerving, not deviating, not innovating from the Way of The Prophets Side.

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB, WASHINGTON, D. C.

The memorandum referred to above identified Hamaas Abdul Khaalis, also known as Ernest Timothy McGhee, as the leader of the Hanafi Mussulmans Organization, and reported the captioned Rifle and Pistol Club was apparently in the formative stages. Khaalis was described by a confidential informant in this memorandum as being an apparently unstable individual who displayed anti-Semitic feelings and spoke unfavorably of certain black civil rights proponents as well as those blacks currently advocating a Pan-Africanist or black nationalist concept. Khaalis was reported to have never been known to advocate any acts of violence except for self-defense, and has been heard to instruct that no true Muslim (Mussulman) would violate the law. D.C.

A confidential source who has furnished reliable information in the past advised on November 27, 1972, that weekly classes in Islam continued to be held at the Hanafi Mussulmans' Headquarters, 7700 16th Street, N.W., nearly every Sunday afternoon during November. Hamaas Abdul Khaalis is in charge of these classes which consist mainly of Khaalis' ramblings about the Islamic faith. Khaalis has indicated there are other Mussulman organizations, mentioning he had recently visited one such group in New York. He has stated he hopes the organization will expand to include their own lawyers, dentists, and doctors, and announced plans to eventually open up a bakery.

The above source noted no indications of planned acts of violence on the part of the Hanafi Mussulman Organization, but observed a pre-occupation with the subject of self-defense on the part of Khaalis. In this connection, Khaalis has announced the establishment of a karate school, scheduled to be opened in late December, 1972, in the 4800 Block of Georgia Avenue, N.W., and he has been heard to remark that although the Mussulmans organization is a peaceful one, they are vicious fighters when called upon to fight.

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB, WASHINGTON, D. C.

This source further observed previously noted indications that Khaalis was anti-Semitic, citing as an example a recent remark by Khaalis that "Hitler was a friend of the Mussulmans, having ordered the killing of six million Jews."

Khaalis was also observed by the above source to remark recently concerning Kareem Abdul Jabbar, alleging he had spoken with the Milwaukee Bucks basketball star recently by telephone. Khaalis gave the impression Jabbar had been a former member of the Mussulmans Organization, and that he may seek to rejoin. Khaalis was critical of Jabbar for contacting him by telephone, stating Jabbar should know the phone is "tapped", and further criticized Jabbar for greeting him in the Arabic language, claiming Arabic should only be used for prayers and not as a telephonic greeting.

It was determined by a Special Agent of the FBI through visual observation of the premises located at 4803 Georgia Avenue, N.W., Washington, D. C., on December 1, 1972, that this store-front property was at that time vacant, but appearing in lettered form on the front door is the wording, "Chung Do Kwon Karate Dojo, Hanafi Madh-hab Training Center, USA Headquarters."

On December 1, 1972, a second confidential source, who has furnished reliable information in the past, advised the Hanafi Mussulmans organization at 7700 16th Street, Washington, D. C., is a very small group, which also is organized in Chicago and New York. Source did not believe the organization to be well organized. This source, as well as other confidential informants, contacted during November-December, 1972, advised no information had been developed to indicate the Hanafi group was a violent group or likely to engage in black extremist activity.

INFORMATION RE SIZE OF EVANS' GROUP AND IDENTITY.

REGARDING SIZE OF EVANS' GROUP, SOURCE HAS ON NUMEROUS OCCASIONS ADVISED THAT THE ORGANIZATION HAS NO RIGID MEMBERSHIP ROSTER, BUT RATHER IS A LOOSELY UNIT BAND. HE HAS ESTIMATED THE HARD CORE MEMBERSHIP AS BETWEEN TWENTYFIVE TO THIRTY. HE HAS ADVISED THAT IN ADDITION TO THIS HARD CORE GROUP THERE ARE APPROXIMATELY TWENTY HANGERS ON WHO OCCASIONALLY FREQUENTED AHMEDS STORE AND WERE FELLOW WINE DRINKERS AND POT SMOKERS. ANOTHER SOURCE WHO IS AN OFFICIAL OF AHMED'S GROUP, HAS STATED THAT RECENT WEEKS AHMED HAS LOST SOME OF HIS MEMBERSHIP AND ESTIMATED THAT HE HAD FIFTEEN TO SEVENTEEN HARD CORE FOLLOWERS.

REGARDING IDENTITIES OF INDIVIDUALS IN HOUSE PRIOR TO OUTBREAK OF VIOLENCE IN CLEVELAND SOURCE ADVISED THAT EVANS WAS IN HOUSE ALONG WITH OTHER PERSONS KNOWN TO HIM THROUGH PREVIOUS OBSERVATION TO BE ASSOCIATES OF AHMED. SOURCE ADVISED THAT MEMBERS OF THE GROUP AND OTHER BLACK NATIONALIST GROUPS IN CLEVELAND REFER TO EACH OTHER AS "BROTHER". THEY ALSO USE AFRO NAMES WHICH HE DOES NOT KNOW. INFORMANT STATED THAT HE DID NOT KNOW ANY OF THE PERSONS IN THE HOUSE BY NAME. HE WILL, WHEN FEASIBLE, BE SHOWN ALL AVAILABLE PHOTOS OF KNOWN BLACK NATIONALISTS TO ATTEMPT TO EFFECT IDENTIFICATION OF ALL PERSONS IN HOUSE PRIOR TO

REGARDING RECONTACT WITH INFORMANT, PERSONAL CONTACT IS NOT POSSIBLE UNTIL VIOLENCE ABATES. SOURCE IS CONTINUING TO REMAIN IN CLOSE CONTACT WITH BLACK NATIONALISTS IN RIOT AREA AND IN TELEPHONIC CONTACT WITH THE OFFICE HAS FURNISHED EXTREMELY VALUABLE INFORMATION RE LOCATION OF WEAPONS AND LOCATION OF INDIVIDUALS BELIEVED TO HAVE ENGAGED IN SNIPER FIRE. HE HAS ADVISED THAT HE IS FEARFUL THAT PERSONAL CONTACT WITH AGENTS COULD POSSIBLY RESULT IN COMPROMISING HIM AT THIS TIME. ALL INFORMATION FURNISHED BY HIM IS BEING IMMEDIATELY RELAYED TO THE CLEVELAND PD. ANY INFORMATION BEING FURNISHED BY THIS SOURCE IS BEING INCORPORATED IN TELETYPES BEING SENT BY CLEVELAND OFFICE.

DISCREPANCIES IN STATEMENTS OF EVANS REGARDING SOURCE OF FUNDS RECEIVED.

IT IS NOTED THAT DURING INTERVIEWS WITH AHMED EVANS BY THE CLEVELAND PD AND IN CLEVELAND NEWSPAPER ARTICLES SETTING FORTH RESULTS OF POLICE INTERVIEWS OF EVANS, EVANS HAS STATED THAT CLEVELAND'S BLACK NATIONALISTS HAD RECEIVED A TEN THOUSAND DOLLAR FEDERAL GRANT WHICH MONEY WAS GIVEN TO HIM BY A REVEREND

IT IS NOTED THAT A CONFIDENTIAL SOURCE WHO IS COMPLETELY KNOWLEDGEABLE OF THE FINANCIAL OPERATIONS OF THE "CLEVELAND NOW" PROGRAM ADVISED ON SEVEN TWENTYSIX SIXTYEIGHT THAT ABSOLUTELY NO FEDERAL GRANTS OR FUNDS HAD EVER BEEN GIVEN TO EVANS, HOWEVER HE POINTED OUT THAT THIRTYONE THOUSAND DOLLARS HAD BEEN GIVEN TO A SUMMER YOUTH PROGRAM IN CLEVELAND FROM CLEVELAND NOW FUNDS. OF THIS THIRTY ONE THOUSAND DOLLARS TEN THOUSAND WAS ALLOCATED TO THE AFRICAN CULTURAL SHOP OPERATED BY EVANS. SOURCE DEFINITELY STATED NO FEDERAL FUNDS WERE INCLUDED IN THIS TEN THOUSAND DOLLARS.

CLEVELAND NOW IS A PROGRAM OF MAYOR CARL B. STOKES, CLEVELAND, OHIO, TO RAISE FUNDS IN THE AMOUNT OF ELEVEN MILLION DOLLARS BY PRIVATE DONATIONS TO BE USED IN VARIOUS CITY EDUCATIONAL, AND CULTURAL PROJECTS.

HE AGAIN SERVED IN THE US ARMY FROM FEBRUARY NINETEEN FIFTYFOUR TO OCTOBER NINETEEN FIFTYFIVE AND WAS UNDESIRABLY DISCHARGED AS A PRIVATE PURSUANT TO THE SENTENCE OF A GENERAL COURT MARTIAL. A PSYCHIATRIC EXAMINATION ON APRIL FIFTEEN NINETEEN FIFTYFIVE REVEALED THAT EVANS IS EXTREMELY POLITE AND ALOOF, BUT "HAS MUCH HOSTILITY WHICH HE ORDINARILY CONTROLS, BUT UNDER STRESS IT BREAKS FORTH WITH AGGRESSIVE BEHAVIOR". IT IS BELIEVED THIS MAN WILL PROBABLY HAVE SEVERE DIFFICULTY IN THE FUTURE IN CONTROLLING HIS BEHAVIOR. HE HAS SOME GRANDIOSE IDEAS ABOUT HIMSELF AND HIS ABILITIES. HE POSSESSES A PARANOID TYPE PERSONALITY. THERE IS NO EVIDENCE OF INSANITY. IT IS POSSIBLE FOR THIS MAN TO GRADUALLY BECOME MORE SEVERE AND TO DEVELOP PSYCHOTIC TYPE BEHAVIOR UNDER STRESS. HE ALSO RECEIVED A DIAGNOSIS OF EPILEPSY, PSYCHOMOTOR. THE RECORD DID NOT INDICATE THAT HE HAD ANY SPECIFIC KNOWLEDGE OR TRAINING IN THE FIELD OF DEMOLITIONS OR EXPLOSIVES.

EVANS TOLD THE POLICE HE BECAME INTERESTED IN ASTROLOGY SEVERAL YEARS AGO AFTER BEING AFFECTED BY "FLYING SAUCERS BUZZING AROUND AT EAST SEVEN NINE STREET AND KINSMAN ROAD". EVANS PREDICTED THAT MAY NINE NINETEEN SIXTYSEVEN WOULD SEE GREAT STRIFE IN THE WORLD. EVANS CLAIMED THAT HIS KNOWLEDGE OF ASTROLOGY GIVES HIM THE POWER TO FORESEE THE FUTURE. DURING MARCH AND APRIL NINETEEN SIXTYSEVEN EVANS MADE FREQUENT PREDICTIONS THAT AN ECLIPSE ON MAY NINE NINETEEN SIXTYSEVEN WOULD SIGNAL THE OUTBREAK OF HOSTILITIES BETWEEN CHINA AND THE US AND WOULD BE THE BEGINNING OF A GENERAL UPRISING BY NEGROES EVERYWHERE. MAY NINE NINETEEN SIXTYSEVEN ACCORDING TO EVANS WOULD BE THE DAY ON WHICH A FULL SCALE REVOLUTION BY THE BLACK MAN AGAINST THE WHITE MAN WOULD BEGIN. AHMED PREDICTED THAT AS A RESULT OF THE ECLIPSE, CERTAIN COSMIC IMPULSES WOULD BE FELT BY NEGROES THROUGHOUT THE WORLD. THESE IMPULSES WOULD NOT BE FELT BY THE WHITE RACE. THE COSMIC IMPULSES WOULD TELL NEGROES THAT IT IS TIME FOR THE BEGINNING OF THE NEGRO REVOLUTION THROUGHOUT THE WORLD. IT WAS NOTED THAT THESE COMMENTS AGREED WITH THE INFORMATION SET FORTH IN CLEVELAND TEL TO THE BUREAU, CHICAGO, DETROIT, PITTSBURGH AND NEW YORK, SIX FOURTEEN PM SEVEN TWENTYTHREE SIXTYEIGHT PAGE ONE - TWO WHICH SET FORTH INFORMATION FROM A CLEVELAND SOURCE WHO SAID BLACK NATIONALISTS WOULD ATTEMPT TO FORMENT TROUBLE IN THE CLEVELAND AREA BETWEEN SIX AM AND EIGHT AM SEVEN TWENTYFOUR SIXTYEIGHT; ALSO THAT SIMULTANEOUS DISTURBANCES WERE TO OCCUR IN CHICAGO, DETROIT, NEW YORK AND PITTSBURGH. INFORMATION WAS DISSEMINATED TO THE INTERESTED OFFICES.

FOLLOWING THE CLEVELAND RACIAL INCIDENT ON THE NIGHT OF SEVEN TWENTYTHREE - TWENTYFOUR SIXTYEIGHT, THE CLEVELAND SOURCE WAS RECONTACTED ON SEVEN TWENTYFOUR SIXTYEIGHT AND HE POINTED OUT THAT ON THE EVENING OF SEVEN TWENTYTHREE SIXTYEIGHT EVANS AND SOME OF HIS FOLLOWERS WERE AT EVANS RESIDENCE, ONE TWO THREE ONE TWO AUBURMDALE RD., CLEVELAND, OHIO. THESE INDIVIDUALS WERE PREPARING TO REMOVE SOME GUNS FROM THIS RESIDENCE AS EVANS WAS TO BE EVICTED ON THE MORNING OF SEVEN TWENTYFOUR SIXTYEIGHT. DURING THIS TIME EVANS NOTED A POLICE TOW TRUCK PULL UP NEAR HIS RESIDENCE AND HE ASSUMED THE POLICE WERE PREPARING TO EVICT HIM THAT NIGHT INSTEAD OF THE NEXT MORNING. AS A RESULT EVANS AND HIS FOLLOWERS COMMENCED FIRING AT THE POLICE TOW TRUCK OPERATORS AND OTHER POLICE UNITS THAT ARRIVED ON THE SCENE WHICH ENDED UP IN A GUN BATTLE IN WHICH POLICE OFFICERS AND BLACK NATIONALISTS WERE KILLED AND WOUNDED. AS A RESULT OF THIS TOW TRUCK ARRIVING ON THE SCENE, IT PRECIPITATED THE RACIAL DISTURBANCE ON SEVEN TWENTYTHREE SIXTYEIGHT INSTEAD OF ITS SCHEDULED TIME OF THE MORNING OF SEVEN TWENTYFOUR SIXTYEIGHT.

On October 16, 1972, the above mentioned MPD spokesman advised all of the applicants for gun permits were approved and permits issued, however, the only utilization of a permit was in connection with the purchase of a shotgun by Daud Khaalis on August 16, 1972. On that occasion, Khaalis purchased a 12 gauge Remington Automatic shotgun, 26" barrel, blue finish, maximum five rounds, serial number L 529 613 V, from Atlas Sporting Goods Store, 800 E Street, Northwest, WDC. The gun was registered in accordance with the law within forty eight hours with the MPD Gun Control Section.

Confidential sources of the Washington Field Office, Federal Bureau of Investigation (FBI), familiar with certain aspects of extremist activity in the WDC area, were initially contacted concerning the Hanafi Mussulmans organization and the above identified officers and members, with no information developed to indicate any known current participation in extremist activity, or clarification as to the nature and true

purpose of the organization. This inquiry did reveal, however, that on April 20, 1972, WF T-2 had advised that over a two day period, April 19-20, 1972, two unidentified Negro males purchased a total of thirty five machetes from Potomac Arms, Old Prince Street, Alexandria, Virginia. The source obtained the license number of the vehicle used by the unknown subjects which in turn was determined to be registered to Alfonso James, whose birth data matches the Alfonso Spencer James, identified above as an officer of the Hanafi Mussulman Rifle and Pistol Club.

Public records available at the WDC Recorder of Deeds Office, reviewed on September 12, 1972, disclosed the current owner of the property at 7700 16th Street, Northwest, identified above as the headquarters of the Hanafi Mussulman organization, is F. Lewis Alcindor, who was deeded the property by Rita P. Cannon on April 20, 1971.

D.C.
Alcindor is identical to the well known professional basketball player, currently with the Milwaukee Bucks, who recently adopted the Moslem name, Kareem Abdul Jabbar. The representative of the MPD advised on September 12, 1972, that although Alcindor is listed as the owner of record of the property, officers of the MPD, familiar with this location, have stated Alcindor does not in fact maintain a residence there. WDC City and Criss Cross directories make no reference to Alcindor at this address, but indicate an individual named Abdul Aziz is the current resident.

The following is a summary of information concerning individual members of the Hanafi Rifle and Pistol Club, who were determined to be identical to individuals about whom previous information had been developed during the course of other investigations conducted by the FBI:

Hamaas Abdul Khaalis

(listed as member, Date of Birth August 30, 1922, resides 7700 16th Street, Northwest)

Khaalis was indicted on a Bank Robbery-Extortion charge in June, 1967, at which time it was determined his true name at birth was Ernest Timothy Mc Ghee, same date of birth as above. He was arrested by FBI Agents in a WDC telephone booth on June 9, 1967, after a bank manager had placed bait money there on direction from an unknown telephone caller who had threatened the family of the bank manager. Review of records of the Veterans Administration at that time disclosed while in the army, Khaalis was examined and diagnosed insane, and judged to be a danger to himself and others if released from hospitalization he then was receiving. He was later diagnosed as "schizophrenic reaction, in partial remission, competent". The indictment charging him with violation of the bank robbery statute was dismissed in United States District Court, Baltimore, in December, 1970.

During this investigation, Khadyja Khaalis, who also appears above as a member of the Rifle and Pistol Club, was identified as his wife.

In January, 1958, WF T-3 identified Ernest MC Ghee, as a member of the Nation of Islam (NOI), who in January, 1958 was the secretary of Temple Number Two of the NOI, Chicago, Illinois.

The NOI is an all-black nationwide organization headquartered at Muhammad's Temple 2, 5335 South Greenwood Avenue, Chicago, Illinois, under the guidance of Elijah Muhammad, self-styled "Messenger of Allah" and only divinely appointed leader of the black race in the United States. Its purpose is separation of the black man from the devil (white race) through establishment of a black nation.

HANAFI AMERICAN MUS^SULMANS
RIFLE AND PISTOL CL.

Ernest Timothy Mc Ghee was interviewed by Special Agents of the FBI on August 17, 1959, at which time he admitted his past membership in the NOI and the Fruit of Islam (FOI). He stated he resigned from the NOI in September, 1958, due to the "arrogance and deceitfulness of the National Captain of the FOI; the family oligarchy established by Elijah Muhammad, and the Gestapo tactics of the NOI Temple officers in Chicago."

The Fruit of Islam (FOI) is a military-type group within the NOI composed of adult male members. Its purpose is to protect officials and property of the NOI.

WF T-4 advised on November 5, 1964, that Ernest Timothy Mc Ghee had not been associated with the NOI for several years.

In April, 1966, Hamaas Khaalis appeared at the New York Field Office of the United States Department of State and inquired about renouncing his United States citizenship and traveling to Red China with wife and children. He advised his given name was Ernest Timothy Mc Ghee, and was accompanied by his wife, Khadija, sons Daud and Rahman Uddein, ages 18 and 4; and daughters Amina and Maryann, ages 15 and 6. He advised he was an instructor and member of the Hamafi Mussulman Religion, and planned to continue his efforts to teach the Hamafi Mussulman Religion in Red China, if he elected to go there. When asked if he would be critical of the United States in the event he went to China, he stated he would be as critical of the United States as it was critical of him.

An article appearing in the New York Herald Tribune, March 10, 1966, edition, reported concerning the Hamafi Mussulman Religion, stating the building housing the Black Arts Repertory Theatre, owned by Leroi Jones, known anti-white Negro playwright, became on March 9, 1966, the Hamafi Mussulman School of Islam which teaches the basic principles of Islam. Hamaas Abdul Khaalis was identified in the article as the "brother in the movement who would teach the basic principles of Islam".

On March 18, 1966, the "New York Herald" carried a story captioned, "Arms Cache Seized in Harlem Theater" stating a "Harlem terrorist group occupying the building where Le Roi Jones operated his short-lived black arts repertory theater was believed to have been thwarted yesterday."

"In the theater, in a rundown four story brownstone at 109 West 130th Street, police wearing bullet proof vests found an arms cache Wednesday night that included a gaint slingshot, a crossbow with arrows, carbine, a 2½' machete, a bailing hook of the kind normally used by long shoremen, a small home made bomb, and the butt end of a weighted pool cue.

"Police also found some marijuana and in the basement, a shooting range from which one shot, that missed, was fired at raiding officers.

"After six men were booked, one police official said that the building was occupied by a new secret organization, "of extreme black nationalists", known as the Pakistani Muslims and Mussulmen".

The newspaper article identified the six individuals arrested, all from New York City, including an individual named Abdul Aziz, age 24, 2405 Seventh Avenue, New York.

There were no further details available regarding this incident or ultimate disposition of the case. On November 16, 1966, a representative of the Bureau of Special Services, New York City Police Department, advised the Black Arts Repertory Theatre, referred to above, had been out of existence since March, 1966, and that there had been no activity by the Hanafi Mussulmen at the location since March, 1966.

(Not listed as member of the Hanafi American Mussulman Rifle and Pistol Club, but identified as current resident at 7700 16th Street, Northwest

Records of the Identification Division, FBI, reveal arrest record for Abdul Aziz, true name Jan Leighton Triggs, date of birth December 8, 1941. In addition to the arrest by the New York City Police Department (NYCPD), on March 16, 1966, referred to in above "New York Herald" newspaper account, Aziz was again arrested on two counts of robbery (Gun) and one count of attempted bank robbery on April 1, 1966, by the NYCPD.

Details regarding the April 1, 1966, arrest were furnished by Detective Howard Schaetzle, 32nd Squad, NYCPD on October 17, 1966, reporting that Aziz and three others were arrested following an unsuccessful attempt to rob the Chase Manhattan Bank, 135th Street and Fifth Avenue, NYC. Aziz was identified as the driver of the getaway car, and he was arrested during the late evening, April 1, 1966, having in his possession a .38 calibre revolver, identified as the gun which had been taken from a bank guard during the course of the bank robbery attempt. On June 27, 1966, Aziz was found mentally incompetent to stand trial in New York State Supreme Court.

Records of the Credit Bureau, Incorporated, WDC, reviewed by a representative of the FBI on September 13, 1972, identify Abdul Aziz, 7700 16th Street, Northwest, WDC, as the owner and operator of Aram Jewelers, 1226 Wisconsin Avenue, Northwest, as of September 9, 1971. *Washington D.C.*

Abdul Latif

(identified by WF T-1 as member of the Hanafi Rifle and Pistol Club, date of birth April 30, 1943, residing 1707 Irving Street, Northwest)

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

One of three individuals arrested with Abdul Aziz in the April 1, 1966 attempted bank robbery referred to above was identified according to Detective Schaetzle, supra, as Abdul Latif, true name Carl Koper. Records of the Identification Division, FBI indicate this individual was born April 30, 1943 at New Rochelle, New York. He was sentenced to an indefinite term at the New York City Penitentiary by the Supreme Court of New York, on November 22, 1966.

On October 16, 1972, WF T-5 obtained a pocket-sized booklet titled "Look and See", which identifies the author as Hamaas Abdul Khaalis, and is documented as published for the "Hanafi Madh-hab Center, Islam Faith, United States of America-American Mussulmans Headquarters, A.S.F.M.I., 7700 16th Street, Northwest, WDC."

The 113 page booklet described the Hanafi Mussulmans as a "Standard of Mankind; a standard in practice and in living an upright life." It states in part that "Hanafi has many meanings"; that Hanafi means "the pure, the clean through, upright, those who fear to the death only Allah; it is unswerving, not deviating, not innovating from the Way of the Prophets Side."

Review of the booklet by a representative of the FBI discloses it continues throughout in a religious vein, including phrases and verse, in a rambling style, referring frequently to "Mussulman" synonymously with "Muslim." The booklet appears to be directed for the benefit of Asian, African and Arabian people, but it calls upon the betterment of America as its goal, and proclaims its allegiance to the United States. The booklet makes no reference to the collection or maintenance of weapons, nor any call for violent activity.

With regard to "A.S.F.M.I.", which appears in the publishing documentation of the booklet, "Look and See", the following was determined through public records of the Department

of Licenses and Inspections, District of Columbia, which were checked by a representative of the FBI on October 2, 1972:

A certificate of Occupancy was granted to the American Social Federation for Mutual Improvement, Incorporated (ASFMI), of New York, to operate a retail store for the sale of jewelry, clothes and objects of art, the trade name of the store to be the Aram Jewelry Store, 1226 Wisconsin Avenue, Northwest. The certificate was awarded to Abdul Aziz as representative of the above corporation.

(U.S. District Court, District of Columbia)
WF T-5 advised on November 17, 1972, that meetings are held each Sunday afternoon at the Hanafi American Mussulmans Headquarters, 7700 16th Street, Northwest. The meetings appear to be limited to members of the organization and those attending by invitation of a member. WF T-5 was in a position to state that one such meeting was attended by approximately ten males and seven females; another meeting by approximately six males and three females. The following additional information was obtained by WF T-5 concerning the Hanafi American Mussulmans Organization:

Hamaas Abdul Khaalis is the leader of the Mussulmans Organization and appears to the above source to be mentally unstable. He claims to have known personally all presidents of the United States since Harry S. Truman, and states he was able to foresee, in 1963, the death of President John F. Kennedy; that he had conversations with the mother of Kennedy's assassin, Lee Harvey Oswald, and believes the Kennedy assassination was a Jewish plot. WF T-5 had once heard Khaalis state the Hanafi Mussulman organization is anti-semetic, but no specific reference to indicate the basis for the anti-semetic position.

Khaalis has been known to state a "true Muslim" can foresee certain things; claiming he had been foretold that Sonny Liston would die prior to the death of the former heavyweight boxer.

HANAFI AMERICAN MUSLIMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

Khaalīs claims the Islam advanced by the Mussulmans Organization is the true Islam, which came originally from India, and although not a prophet of Allah, he has been chosen to teach the true Islam. According to Khaalīs, the true Mussulman teaches love and not the ideology of other black groups such as Elijah Muhammad, leader of the Nation of Islam, or Malcolm X. Khaalīs has been known to state in the past his organization disdains the civil rights movement, and he has been heard to refer to prominent past civil rights proponents as "Martin Luther Coon" and "Ralph Abernasty", and to classify blacks who preach the Pan-African concept as "bushy hairs". Khaalīs in his writings and oral statements has proclaimed the United States as the home of the Mussulman, not Africa.

Concerning the Hanafi Rifle and Pistol Club, WF T-5 learned the club has been in the formative stage for several months and recently obtained some sort of charter. Khaalīs has been heard to state classes in karate and self-defense were also going to be taught, and this was all necessary to be able to "deal" with the "bushy hairs" if the occasion should arise. He claims plans to recruit 20,000 members for the rifle and pistol club.

WF T-5 advised people use the Juniper Street side door to enter and exit the premises at 7700 16th Street, Northwest. A sign is on display in the hallway ordering no smoking, no narcotics, nor dangerous weapons. Individuals entering are usually searched. The living room on the ground floor facing 16th Street is used for prayer and other meetings, those entering being required to remove their shoes. Small mattresses are on the floor and are utilized for sitting during the meetings. The living room wall is decorated with several different kinds of machetes and swords. There is no indication of any target or storage area for weapons on the first floor.

HANAFI AMERICAN MUSSULMANS
RIFLE AND PISTOL CLUB,
WASHINGTON, D.C.

Khaalis has never been heard to advocate any acts of violence except for self defense. He has never urged for confrontation with police, and to the contrary has instructed that no true Muslim would violate the law.

Contact with the MPD has disclosed no applications for additional gun permits since August, 1972, from individuals who appear to be affiliated with the Hanafi Mussulmans Organization. MPD investigation, according to the MPD representative mentioned earlier in this memorandum, has disclosed that on August 17, 1972, Alfonso Spencer James purchased three "Marksman" .177, twenty shot BB repeater pistols, a common target shooting weapon for which gun permit is not required for purchase, and on September 13, 1972, a pellet trap for retrieving pellets from a BB pistol of the type purchased on August 17, was obtained by James. All of these purchases were made at the Atlas Sports Store, 800 E Street, Northwest.

Investigation conducted as of November 15, 1972, including the observations of WF T-5, and other confidential sources, has developed no information to indicate Lew Alcindor (Kareem Abdul Jabbar) is actively affiliated with the Hanafi Mussulmans Organization. *F. Lewis Alcindor*

WF T-1 through and including WF T-5 have furnished reliable information in the past.

SUBJECT: FRED (AHMED) EVANS
ANTIRIOT LAWS

In connection with the racial disturbances that occurred in Cleveland, Ohio, on 7/23/68 in which eleven persons were killed, including three police officers, information has been disseminated on a daily basis to the Attorney General and the Interdivision Information Unit of the Department by the Domestic Intelligence Division.

On 7/25/68 the Criminal Division of the Department requested that the Bureau conduct a limited investigation into the disturbances to determine if there have been any violations of the recently enacted Antiriot Laws. The Department's request specifically requested that we obtain from the Cleveland Police Department detailed information as to the identities of persons arrested in connection with the disturbances, charges placed against them, prosecutive action contemplated by local officials, nature of businesses involved in the looting, and interview of Fred Evans concerning his activities as well as those of the "New Libya Group."

Our limited investigation has determined that twenty-three individuals were arrested and prosecution is contemplated by local authorities of looting, carrying concealed weapons and curfew violation charges. Twelve individuals were arrested as suspicious persons and released. Places looted include hotels, hardware stores, liquor stores, loan companies and many other businesses which extend services to the public.

REC-32 176-111-4

The Cleveland Police Department arrested Fred (Ahmed) Evans who is presently incarcerated on charges of shooting to kill and possession of an automatic weapon. Evans refuses to be interviewed by anyone without presence of his defense counsel and the City Prosecutor has requested that we not interview Evans at this time as this could possibly be prejudicial to the case being prepared by local authorities and would

Evans is the leader of the so-called "New Libya Group" which is being investigated as an intelligence matter. This organization is reportedly opposed to integration of the races. The members state that the stars and heavens are foretelling the doom of the "beast" (white man) and the victory of the black man. Evans has stated his followers owe no allegiance to the white man's laws and has counseled children not to attend public schools. Most, if not all the members, drink wine and liquor to excess, smoke pot and engage in sexual promiscuity. The members reportedly do not work and obtain their money through the commission of burglaries and other criminal activities. There has been no evidence to indicate the "New Libya Group" is part of a national organization. Members have mentioned visiting "brothers" in Detroit and Columbus, Ohio, but there is no known contact between the "New Libya Group" members and similar organizations in other cities.

ACTION:

The Department is being kept advised of the developments in the Cleveland situation on a current basis.

BLACK PANTHER PARTY, also known as Black Panther Party for Self Defense

1 According to the official newspaper of the Black Panther Party (BPP), the BPP was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by Bobby G. Seale, BPP Chairman, and Huey P. Newton, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education George Murray. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

David Hilliard, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said, "We will kill Richard Nixon."

David Hilliard, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture Emory Douglas as follows:

"The only way to make this racist U. S. Government administer justice to the people it is oppressing, is . . . by taking up arms against this government, killing the officials, until the reactionary forces . . . are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U. S. Government."

The BPP headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the U. S.

APPENDIX1
YOUTH AGAINST WAR AND FASCISM

A source advised on March 29, 1965, that the Youth Against War and Fascism (YAWF), formerly known as the Anti-Fascist Youth Committee, was established by the Workers World Party (WWP) in the summer of 1962 to bring college and high school youth into the periphery of WWP activities and thereby gain recruits for the organization.

A second source advised on October 23, 1964, that a flyer distributed by the YAWF describes that organization as a militant organization of young workers and worker-students for combating war and fascism.

The first source advised on May 1, 1970, that the YAWF maintains its headquarters at 58 West 25th Street, New York City, and publishes a magazine called "The Partisan."

DE 164-109

On January 25, 1972, SA MORTON C. NICKELL reviewed the file of Assistant United States Attorney WILLIAM C. IBERSHOF, Detroit, and there appeared to be no further developments concerning the prosecution of any of the subjects.

Contained in the file was a letter from Dr. DAVID G. HUBBARD, Psychiatry, 713 Noel Page Building, Dallas, Texas, to the effect he wished to examine PLISKOW for the Federal Aviation Administration (FAA) and at the request of JIM MURPHY, Chief of Security for FAA. The conditions of the examination was that no one would know of the examination and he would not be called as a witness by either side.

On October 12, 1971, Mr. IBERSHOF wrote him saying these conditions were not acceptable. He went on to say this did not prevent Dr. HUBBARD from examining her as a defense witness and to testify.

On October 15, 1972, there appeared a letter from Mr. IBERSHOF to the Wayne County Sheriff to the effect Dr. HUBBARD was in to examine PLISKOW and he had no objection to the examination. There was nothing in the file to show if an examination had been made, or if one was made, or the results thereof.

The attorney for PLISKOW is HAROLD E. LEITHAUSER, 3400 Guardian Building, Detroit. The attorney for JACKSON is GERALD M. KAMINSKI, 2919 Lemans, Hamtramck, Michigan, telephone TR 2-5370.

On March 22, 1972, SA NICKELL discussed this case with Mr. IBERSHOF, who stated that he did not see where an interview of Dr. HUBBARD would contribute anything to this case since it was understood he was not to testify and, therefore, his testimony would be privileged. Defense attorneys have indicated they will have their own psychiatrist examine PLISKOW, and if this is done, the government will have her examined subsequent to receiving the report of any psychiatric examination made by the defense. The attorneys for PLISKOW have indicated they wish to use the defense of insanity but from information received by Mr. IBERSHOF, PLISKOW does not desire to use this defense in any trial.

A pre-trial conference in this matter has been scheduled at Detroit for March 29, 1972.

DETAILS:

On March 13, 1971, DE T-1 advised that the subject was present at the Michigan, January 30, 1971, meeting of the Michigan Committee Against Repression (MCAR). At this meeting the subject discussed her dismissal as teacher from the Wayne County Community College. During this discussion, she stated that she had been victim of repression because she had brought racism into her teaching because she had allowed a member of the National Committee to Combat Facism (Organizing Bureau of the Black Panther Party - BPP), and because she was a member of the White Panther Party (WPP).

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

DE 100-38323

Michigan Committee to Combat Repression is composed of Detroit citizens and organized to eradicate racial injustice. Its leadership is composed of members of the Michigan District Communist Party.

The Black Panther Party is a black extremist organization started in Oakland, California, in December, 1966. It advocates the use of guns and guerrilla tactics to bring about the overthrow of the United States Government.

The White Panther Party is a national white, hippie oriented revolutionary organization which was founded essentially to afford support to the Black Panther Party. It has advocated the published ten point program of the BPP and has added a ten point program of its own, all of which call for the unbridled personal freedom of the individual.

On June 2, 1971, DE T-2 advised that the subject attempted to hold up a gas station in Detroit around 3:00 AM, on that date. She allegedly went into the station with a gun which she held at the attendant's head. She told him this was a hold up. He then took the gun away from her, beat her, and told her to run, firing a couple of shots in the area she ran.

On September 1, 1971, DE T-2 advised that the subject claimed that she tried to hold up a restaurant but was prevented when a man pulled a gun and told her if she put hers away he would put his away. The source stated the subject said she put her gun away and left the restaurant.

DE 100-38323

On May 11, 1971, DE T-3 advised that the subject was arrested on April 14, 1971, and charged with harboring of fugitives, since five individuals were arrested on local charges while staying at her residence, 19334 Griggs Street, Detroit, Michigan.

On September 24, 1971, DE T-4 advised that the subject was to board American Airlines Flight 124, on September 24, 1971, and hijack the airplane by means of a gun and bomb in an effort to obtain the release of MICHAEL D. HILL and RONNIE IRWIN, two BPP members incarcerated for murder.

GERALD PERMAN, Deputy United States Marshal, assigned to the Detroit Metropolitan Airport, Anti-hijacking Detail, supplied the following information:

On September 24, 1971, at shortly after 8:00 AM, Deputy Sheriff STRESS advised him that it was believed that an unknown person may be planning to hijack an airplane. At about the same time he was contacted by Detective HURLEY, Michigan State Police and Lieutenant McCOY, Detroit Police Department, concerning the same potential hijacking matter.

It was believed that the potential hijacker was a woman. A detective from the Detroit Police Department, DOKENDORF, saw a suspicious woman and followed her to Gate 16. The woman and other passengers at Gate 16 were about to board a bus, which would take them out to an airplane.

As the woman and other passengers walked down a stairway toward the bus, PERMAN approached the woman from the left rear and tapped her on the left shoulder. PERMAN said, "Just a minute lady", but the woman continued down the stairs. At this point, the woman turned back and looked at PERMAN who was holding his credentials in view to identify himself. The woman quickly went for her bag, saying, "I've got a loaded gun and dynamite in here, and we're all going to be blown up".

PERMAN, HURLEY, McCOY and DOKENDORF rushed at the woman at this time and PERMAN grabbed the woman's hand as she reached for a pistol she was carrying in a large bag. The woman also grabbed a stick of dynamite. The men quickly subdued the woman and PERMAN placed a pair of handcuffs on her wrists.

On 9/24/71 at Romulus, Michigan File # Detroit 164-109
by SA CLARK F. STONE 4- Date dictated 9/27/71

PERMAN described the weapon that the woman had attempted to reach, as a .25 caliber automatic, blue steel, Erma Werke, Serial Number 03763. This weapon was initialed by PERMAN. The weapon was loaded with one round in the chamber and five rounds in the clip.

PERMAN described the stick of dynamite as 16 to 18 inches long, about two inches in diameter with a light colored paper. PERMAN said there were two sticks of this dynamite, both apparently identical in appearance.

PERMAN advised that at the time the woman was apprehended, he asked her for her identity. She refused to talk until she had spoken to her attorney.

At this time, he advised Detective CARL JACOB, Chicago State Police and Detective THOMAS W. BROWN of the Chicago Police Department and pointed her way out to them. He next observed the woman proceeding down the staircase leading to the American Legion satellite and a woman came sight of her and Deputy Sheriff.

When he arrived at the satellite, he observed the same woman with a group of officers who were attempting to subdue her. He observed her being removed to the top of the stairwell leading to the house on the east side and that he believed to be a woman of Mexican descent and a total stranger to the bottom of the stairwell. After she was removed, he observed several other people coming down the stairs in groups of two or three and proceeding to the house on the east side of the street. He observed the woman being taken to the house on the east side of the street, Chicago, Illinois, where she was taken following her arrest.

Deputy MARTIN STRESS, Wayne County Sheriff's Office, Metropolitan Airport, Romulus, Michigan, furnished the following information:

At approximately 7:35 AM, September 24, 1971, he received a radio message to report to Mr. PATTERSON of American Airlines at their boarding area. Upon arriving there, he was advised by Mr. PATTERSON that a woman on board Flight 124 was possibly carrying explosives and that all passengers had been asked to deplane. He was furnished a description of this woman by Mr. PATTERSON and as the passengers deplaned, he observed a woman fitting this description leaving the plane. This woman did not proceed with the other passengers but rather left the boarding area and began walking through the terminal. He followed her to an area in front of the Northwest Orient Airlines ticket counter where he observed Deputy United States Marshal GERALD PERMAN. At this time, he requested Deputy PERMAN to continue following the woman as she appeared nervous and he feared she would recognize he was following her. He then observed Deputy PERMAN follow her to the gift shop in the terminal which he entered.

At this time, he observed Detective CAL LAPIEN, Michigan State Police; and Detective LAWRENCE DOKENDORF of the Detroit Police Department and pointed the woman out to them. He next observed the woman proceeding down the concourse leading to the American Airlines satellite and thereafter lost sight of her and Deputy PERMAN.

When he arrived at the satellite, he observed the same woman struggling with officers who were attempting to subdue her. He observed her brown pocketbook at the top of the stairwell leading to the lower concourse and what he believed to be sticks of dynamite, one on a chair and another at the bottom of the stairwell. After the woman was removed, he assisted Captain BERRY of the Wayne County Sheriff's Office in removing the dynamite and placing it in a tank in the bomb truck which had arrived at the boarding gate. He last saw the woman at the Wayne County Sheriff's Office, Metropolitan Airport, where she was taken following her arrest.

According to DOKENDORF, PLISKOW was allegedly carrying a pocketbook with unknown contents. He advised that they arrived at the airport at approximately 8:15 AM or 8:20 AM, and proceeded into the main terminal where he, Lieutenant McCOY, and Deputy United States Marshal GERALD PERMAN observed a white female in the lobby, who was believed to be BARBARA PLISKOW. DOKENDORF described her as follows:

Sex	Female

GORDON PATRICK HURLEY, Investigator, Michigan State Police Intelligence Unit, Security Investigations Unit, Seven Mile and Grand River, was interviewed by SA PETER D. MC CANN, Federal Bureau of Investigation, Detroit, Michigan, at the Metropolitan Detroit - Wayne County Airport, concerning the attempted hijacking of an American Airlines flight from Detroit to New York.

HURLEY advised that he was called at 7:40 AM at his residence and asked to meet Lieutenant MC COY at Metropolitan Airport. When he arrived at the airport he met Lieutenant MC COY and together they proceeded to the main lobby candy counter area, whereupon the white female subject exited the candy area and entered the Gate 16 area. HURLEY advised that when next viewed, the woman was sitting next to the Gate 16 exit. Everybody at the gate area started to move down the stairs to the aircraft ramp area. At this point JAMES PERMAN requested her identification and a fight started immediately. HURLEY grabbed the woman's legs and helped to hold her down. He saw her hand reach for her handbag at which time DORKENDORP (Phonetic) shouted "She's got a gun", and he subsequently took the gun away from her. She was handcuffed at the scene. Her luggage was one-half way down the stairs and she was immediately removed physically from the area of her luggage. HURLEY advised that at this time one of the Sheriff's matrons searched the woman under her clothing and the woman was placed into a chair. About ten minutes later she was removed to the women's restroom and strip searched by the matron. She was then brought to the Sheriff's Office at Metropolitan Airport.

HURLEY advised that other police officers present were Lieutenant MC COY of the Detroit Police Department, DORKENDORP (Phonetic) of the Detroit Police Department, JAMES PERMAN, a United States Sky Marshall, and CAL LEPIEN of the Michigan State Police.

Lieutenant WILLIAM MCCOY, Detroit Police Department, Security Section, 1300 Beaubien, telephone 224-4289, furnished the following information:

At approximately 8:05 AM, while he was enroute to his office with Patrolman LARRY DOKENDORF, when he received a call on his police radio which related that BARBARA PLISKOW was at Metropolitan Airport with an explosive package. The call further related that PLISKOW supposedly boarded an American Airlines Plane at Gate 16, Concourse B, scheduled to depart at 7:45 AM.

When he arrived at Gate 16, the passengers had been taken off the plane. He then went to a telephone and called his office to request that a photograph of PLISKOW be sent to the airport. He was talking to his office when he observed a woman bearing PLISKOW's description walking toward the lower concourse. He hung up the telephone and decided with other officers to stop the woman and request identification. As they approached the woman said, "I've got a gun. I've got dynamite. I'm going blow up all you sons-of-a-bitches".

He helped the officers subdue the woman until she was handcuffed. During the arrest the woman pulled a .25 caliber automatic pistol from her purse and attempted to point it at the arresting officers. He also observed two sticks of dynamite fall out of her purse during the struggle to arrest the woman. He saw Patrolman DOKENDORF take the pistol from the woman. The woman was later identified as BARBARA PLISKOW.

When the two sticks of dynamite were recovered, they were placed in a bag and taken to the laboratory. The woman's pistol was also taken to the laboratory. No other weapons were found.

Patrolman WILLIAM CZAJA, Wayne County Sheriff's Office, Metropolitan Airport, furnished the following information:

At approximately 8:00 AM, September 24, 1971, he responded to a call over his Sheriff's Department radio, which indicated that a woman, described as being white, approximately 38 years of age, 5'8" tall, weighing 150 pounds, brown hair and blue eyes, was carrying dynamite and would attempt to board American Airlines Flight 124, at Gate 16.

He went to Gate 16 and there observed a woman, bearing the description given above, coming off the aircraft at Gate 16. The woman walked to the ladies room and went inside. He waited outside and when she came out he had a woman employee clear the rest room. After the rest room was empty of people he went in and searched it. He did not find anything.

He returned to the Gate 16 and noticed the woman sitting in the boarding area. As he approached the woman, she got up and started walking toward the lower concourse stairs. Deputy United States Marshal PERMAN and other officers were with him as they approached the woman. The woman then stated to the officers, "Get away everybody, I've got dynamite in this bag". She then displayed a .2-caliber automatic pistol. He was behind the woman and he grabbed her hands, pulled her to the floor and held her with her arms over her head until she was handcuffed. He restrained the woman in a lying position on the floor until a Sheriff's Department secretary, JENNY COOPER, arrived, at which time the woman was taken into the ladies rest room, where Miss COOPER made a complete search of the woman's person. No other weapons were found.

murder and brutality of the people and prisoners, such as in the case of the Tombs in N.Y., San Quentin in California, and Attica. Also because the American government and the so-called revolutionary forces in the past have failed to answer the cries of the people to be relieved of the existing oppression.

We find it necessary to write a new chapter in the liberation of all political prisoners and the end of the senseless brutality and torture of all oppressed people.

This is our first and last message, there is no need for further deliberation, we all heard your last answer in the staccato of machine guns and automatic rifle at Attica.

At this time, we state that Micheal D. Hill and Ronnie Irwin, now prisoners of war, held at the Wayne County Jail, be escorted from their cell and transported to Metropolitan Airport, using One guard Unarmed, and placed aboard flight

The paper comprising specimens Q1 through Q5e bears the watermark "CRSTINER." This watermark is registered for the Tempo Company, Inc., Kansas City, Missouri.

The writing on specimens Q2, Q6, Q7, and Q9 could not be determined to have been prepared by one person because of the lack of a sufficient amount of comparable material and the presence of variations not satisfactorily explained. However, there were some similarities on specimens Q6 and Q7.

Because of the lack of comparable writing, a definite opinion could not be reached as to whether the writing on Q2, Q6, Q7 and Q9 were prepared by any of the individuals mentioned in referenced letter.

There are no specimens in the National Unidentified Ammunition File that could have been fired from specimens Q10 through Q14.

The material submitted will be returned separately. Photographs of the questioned documents have been made.

ADMINISTRATIVE

On September 24, 1971, the Detroit Police Department, Special Investigation Division, telephonically advised the FBI that a confidential informant provided information that BARBARA PLISKOW was to board American Airlines Flight 124 on September 24, 1971, and hijack the plane by means of a gun and bomb in an effort to obtain the release of MICHAEL D. HILL and RONNIE IRWIN.

^{INFORMANT}
This information substantiated information furnished by DE 1330-E on September 22, 1971, to the effect that BARBARA PLISKOW and BRENDA JACKSON appeared to be involved in some type of conspiracy involving dynamite. At this time it was not known specifically what the incident would be. Subsequently it was determined the plan was threefold: involving the murder of a suspected informant; an explosion to embarrass President RICHARD M. NIXON during his visit to Detroit on September 23, 1971; and to hijack an airplane for purposes of extorting the release of MICHAEL D. HILL and RONNIE IRWIN.

As a result of this information, it was felt probable cause existed to arrest BRENDA JACKSON as a part of the conspiracy to hijack American Airlines Flight 124. At the time of the arrest of JACKSON at her apartment, the following persons were also taken into custody: CASSANDRA PARKER, MARY FORD, DAVID REEDUS, ROBERT SMITH, and PATRICIA DUNCAN. These individuals were taken into custody primarily because they refused to identify themselves and because source information also indicated they attended a meeting in which the hijacking plan was formulated. Subsequently, PARKER, FORD, SMITH, and DUNCAN were released from Federal custody but FORD was turned over to Detroit Police Department on local charges.) M.C.

On September 29, 1971, Detective Sergeant IVOR WILLIAMS, Seventh Precinct, Detroit Police Department, advised that he had positively identified FORD, SMITH, and REEDUS as the individuals who committed a robbery, armed, in Detroit on September 19, 1971. He obtained warrants

for REEDUS and SMITH but since FORD is a juvenile, he is seeking a waiver from the Juvenile Court in order to try her as an adult. He advised that he was informed by the Homicide Bureau that FORD has been tentatively identified as one of the individuals responsible for a mass murder in Detroit involving eight people.

In regards to the murder of the suspected informant, source information indicated that DAVID REEDUS, in company with others, killed WILLIAM JAMES FLOYD, 2125 Garland, during the early morning hours of September 24, 1971. After killing FLOYD, they took from him a .25 caliber automatic which was subsequently used by PLISKOW in the hijacking attempt.

Synopsis: On 9/24/71, BARBARA PLISKOW, white female, date of birth 9/14/33, purchased a ticket from American Airlines for a flight from Detroit, Mich., to New York City. She boarded the flight carrying a bag containing two sticks of dynamite and a loaded .25 automatic. She also had notes and a drawing to indicate that she intended to explode the dynamite by firing the gun into it unless MICHAEL D. HILL and RONNIE IRWIN were released from jail. The passengers were removed from the airplane under the guise of mechanical trouble and PLISKOW was arrested in the boarding gate area. A Deputy U. S. Marshal grabbed her and she pulled the gun but it was wrestled away from her with no shots fired. The dynamite fell to the stairs where it was subsequently retrieved. BRENDA JOYCE JACKSON, Negro female, date of birth 2/26/48, was arrested at her apartment in Detroit, Mich., along with DAVID HOUSTON REEDUS, date of birth 2/5/54. AUSA Detroit, authorized prosecution of PLISKOW for violation of Title 49, Sec. 1472 (i), USC. He authorized prosecution of JACKSON and REEDUS for conspiracy to engage in aircraft piracy in violation of Title 18, Sec. 371, USC. All three appeared before U.S. Magistrate, Detroit, where PLISKOW was remanded without bond and preliminary hearing date set for 10/4/71. JACKSON and REEDUS were remanded in lieu of \$5,000 and their preliminary examination date is set for 10/4/71.

KATRINA MILEY, 6315 East Michigan Avenue, Ann Arbor, Michigan, home telephone number 429-5848, was interviewed at the Detroit Metropolitan Wayne County Airport and furnished the following information:

A photograph of BARBARA PLISKOW was displayed to her and she advised the woman in the photograph looks like the woman who sat next to her on American Airlines Flight 124, to New York. MILEY sat in seat 19F and the woman in the photograph sat in seat 19D, leaving one empty seat between them. This row of seats was just behind the wing on the right side of the airplane, facing the front of the plane.

The woman who sat near to her was carrying what appeared to be about a 20 inch cloth bag and a handbag. When this woman first came to her seat she put the cloth bag on the overhead rack and when she was instructed she could not leave it there, she put in under the seat between them. She placed her handbag on the seat between them. At no time did they have conversation with each other. MILEY had no opportunity to observe anything inside the cloth bag or purse since she was occupied by reading a magazine.

When an announcement came over the loudspeaker, on the airplane, of the mechanical difficulty, the woman who sat next to her got up and left the airplane after getting her bag and purse. When they got off the airplane they went to a waiting area and then after several minutes, the passengers were instructed to go down the steps to claim their baggage when she observed someone jump in front of the woman who sat near her on the plane and grabbed her purse. This woman shouted twice, "I've got dynamite and a handgun".

GERALD PERMAN, Deputy United States Marshal, assigned to the Detroit Metropolitan Airport, Anti-hijacking Detail, supplied the following information:

On September 24, 1971, at shortly after 8:00 AM, Deputy Sheriff STRESS advised him that it was believed that an unknown person may be planning to hijack an airplane. At about the same time he was contacted by Detective HURLEY, Michigan State Police and Lieutenant McCOY, Detroit Police Department, concerning the same potential hijacking matter.

It was believed that the potential hijacker was a woman. A detective from the Detroit Police Department, DOKENDORF, saw a suspicious woman and followed her to Gate 16. The woman and other passengers at Gate 16 were about to board a bus, which would take them out to an airplane.

As the woman and other passengers walked down a stairway toward the bus, PERMAN approached the woman from the left rear and tapped her on the left shoulder. PERMAN said, "Just a minute lady", but the woman continued down the stairs. At this point, the woman turned back and looked at PERMAN who was holding his credentials in view to identify himself. The woman quickly went for her bag, saying, "I've got a loaded gun and dynamite in here, and we're all going to be blown up".

PERMAN, HURLEY, McCOY and DOKENDORF rushed at the woman at this time and PERMAN grabbed the woman's hand as she reached for a pistol she was carrying in a large bag. The woman also grabbed a stick of dynamite. The men quickly subdued the woman and PERMAN placed a pair of handcuffs on her wrists.

Deputy MARTIN STRESS, Wayne County Sheriff's Office, Metropolitan Airport, Romulus, Michigan, furnished the following information:

At approximately 7:35 AM, September 24, 1971, he received a radio message to report to Mr. PATTERSON of American Airlines at their boarding area. Upon arriving there, he was advised by Mr. PATTERSON that a woman on board Flight 124 was possibly carrying explosives and that all passengers had been asked to deplane. He was furnished a description of this woman by Mr. PATTERSON and as the passengers deplaned, he observed a woman fitting this description leaving the plane. This woman did not proceed with the other passengers but rather left the boarding area and began walking through the terminal. He followed her to an area in front of the Northwest Orient Airlines ticket counter where he observed Deputy United States Marshal GERALD PERMAN. At this time, he requested Deputy PERMAN to continue following the woman as she appeared nervous and he feared she would recognize he was following her. He then observed Deputy PERMAN follow her to the gift shop in the terminal which he entered.

At this time, he observed Detective CAL LAPIEN, Michigan State Police; and Detective LAWRENCE DOKENDORF of the Detroit Police Department and pointed the woman out to them. He next observed the woman proceeding down the concourse leading to the American Airlines satellite and thereafter lost sight of her and Deputy PERMAN.

When he arrived at the satellite, he observed the same woman struggling with officers who were attempting to subdue her. He observed her brown pocketbook at the top of the stairwell leading to the lower concourse and what he believed to be sticks of dynamite, one on a chair and another at the bottom of the stairwell. After the woman was removed, he assisted Captain BERRY of the Wayne County Sheriff's Office in removing the dynamite and placing it in a tank in the bomb truck which had arrived at the boarding gate. He last saw the woman at the Wayne County Sheriff's Office, Metropolitan Airport, where she was taken following her arrest.

According to DOKENDORF, PLISKOW was allegedly carrying a pocketbook with unknown contents. He advised that they arrived at the airport at approximately 8:15 AM or 8:20 AM, and proceeded into the main terminal where he, Lieutenant McCOY, and Deputy United States Marshal GERALD PERMAN observed a white female in the lobby, who was believed to be BARBARA PLISKOW. Sex	Female
Race	White
Age	Approximately 40
Height	5'8"
Weight	170 to 180 pounds
Hair	Dark
Characteristics	Carried two bags; one purse and one yellow bag

DOKENDORF stated that he followed the above described woman to Gate 16, from which American Airlines Flight 124 to New York was departing shortly thereafter. According to DOKENDORF this individual pulled away from PERMAN and attempted to go down the stairs in her immediate vicinity. PERMAN immediately grabbed the woman in an attempt to restrain her and they both fell down. At that time, Detective Sergeant GORDON HURLEY of Detroit Police Department joined in the struggle whereupon DOKENDORF stated that he joined in when someone shouted that she was going for her purse. He stated that this woman's hand entered the purse and he grabbed for her hand and managed to snatch an automatic handgun from her hand. Her bag then rolled down the stairs and a stick of high explosive dynamite rolled out of it. DOKENDORF stated that this woman, who was later identified as BARBARA PLISKOW, was placed under arrest by the Deputy United States Marshal.

GORDON PATRICK HURLEY, Investigator, Michigan State Police Intelligence Unit, Security Investigations Unit, Seven Mile and Grand River, was interviewed by SA PETER D. MC CANN, Federal Bureau of Investigation, Detroit, Michigan, at the Metropolitan Detroit - Wayne County Airport, concerning the attempted hijacking of an American Airlines flight from Detroit to New York.

HURLEY advised that he was called at 7:40 AM at his residence and asked to meet Lieutenant MC COY at Metropolitan Airport. When he arrived at the airport he met Lieutenant MC COY and together they proceeded to the main lobby candy counter area, whereupon the white female subject exited the candy area and entered the Gate 16 area. HURLEY advised that when next viewed, the woman was sitting next to the Gate 16 exit. Everybody at the gate area started to move down the stairs to the aircraft ramp area. At this point JAMES PERMAN requested her identification and a fight started immediately. HURLEY grabbed the woman's legs and helped to hold her down. He saw her hand reach for her handbag at which time DORKENDORF (Phonetic) shouted "She's got a gun", and he subsequently took the gun away from her. She was handcuffed at the scene. Her luggage was one-half way down the stairs and she was immediately removed physically from the area of her luggage. HURLEY advised that at this time one of the Sheriff's matrons searched the woman under her clothing and the woman was placed into a chair. About ten minutes later she was removed to the women's restroom and strip searched by the matron. She was then brought to the Sheriff's Office at Metropolitan Airport.

Because we can no longer stand and watch the senseless murder and brutality of the people and prisoners, such as in the case at, the Tombs in N.Y., San Quintin in California, and Attica in N.Y. Also because the American government and the so-called revolutionary forces in the past have failed to answer the cries of the people to be relieved of the existing oppression.

We find it necessary to write a new chapter in the liberation of all political prisoners and the end of the senseless brutality and torture of all oppressed people.

This is our first and last message, there is no need for further deliberation, we all heard your last answer in the staccato of machine guns and automatic rifle at Attica.

At this time, we state that Michael D. Hill and Ronnie Irwin, now prisoners of war, held at the Wayne County Jail, be escorted from their cell and transported to Metropolitan Airport, using one guard Unarmed, and placed aboard flight within one hour, or lives will be sacrificed. The guilty will die as they should, and the innocent will die for the cause of Black Liberation.

We find there is no other recourse but to escalate, we are all prepared to pay the supreme price.

Because we can no longer stand by and watch the senseless murder and brutality of the people and prisoners, such as in the case at, the Tombs in N.Y., San Quintin in California, and Attica in N.Y. Also because the American government and the so-called revolutionary forces in the past have failed to answer the cries of the people to be relieved of the existing oppression.

We find it necessary to write a new chapter in the liberation of all political prisoners and the end of the senseless brutality and torture of all oppressed people.

This is our first and last message, there is no need for further deliberation, we all heard your last answer in the staccato of machine guns and automatic rifles at Attica.

At this time, we state that Micheal D. Hill and Ronnie Irwin, now prisoners of war, held at the Wayne County Jail, be escorted from their cell and transported to Metropolitan Airport, using ONE guard UNARMED, and placed aboard flight

within one hour, or lives will be sacrificed. The guilty will die as they should, and the innocent will die for the cause of Black Liberation.

We find there is no other recourse but to escalate, we are all prepared to pay the supreme price.

EXPLANATION

Political Consequence must befall this system, which condones the senseless brutal murders of Black people. Such as the case of Buck and Craig, Sept 17th, murdered by the mad dogs from stress, here in Detroit, the 30 Black men murdered in the Attica Prison massacre in New York, Sept 30. Also singling out and cowardice murder of George Jackson at San Quintin, (George Jackson was shot in the back).

The only so-called just Verdict that you have been willing to render, have been justifiable homicide. No longer will we sit back and accept this foul treatment, and then ask you whether or not your acts are justified. "HELL NO THEY AIN'T"? and because they ain't, you got to lose one way or another. This little explosion and fire is only one overdue payment.

THE ATTICA PRISON MASSACRE

We must call a STATE OF EMERGENCY in the black community. All plants, schools and places of work must close to protest the inhuman slaughter of Black people and political prisoners around the country.

We have witnessed the murder of two (2) teenage boys at the Northend Family Center, by two (2) jailers of Detroit's STRESS Unit. Not so long ago we witnessed the murder of George Jackson at San Quentin. We know from our experience how blacks are treated in Wayne County jail. And now Attica, where 30 black brothers were murdered and hundreds more starved, can be added to the list of the State's crimes against our people.

Last week over 1600 black prisoners organized to shut down the maximum security block of Attica prison in New York. They called for a stop to the physical brutality, the racist treatment, and the economic exploitation that put them in prison and that was systematically killing them.

They also called for passage out of the United States because they knew that the conditions in Attica were produced by the American system itself.

Monday morning, Sept. 13th, the system responded and murdered them for their revolutionary spirit. 30 black prisoners were slaughtered by Nelson Rockefeller, governor of New York and leader of his own financial empire. Here in Detroit's Wayne County jail there was a trial and mistreat were heaped to tempt any likelihood that the same thing would happen here.

We Black workers, mothers, students-the entire black community- must stop our work, come out of the plants and off the job to show our indignation in this silent march. This date is important because Nixon will be in Detroit to talk about the wage freeze. He will be developing the economic component of the oppression that Rockefeller enforced in a brutal military way on the prisoners at Attica.

Last week, a priest writes in Pontiac, Michigan closed down a General Motors plant to protest the bussing of children to school. This week Black workers, students and community leaders close down the City of DETROIT at 12:00 noon on Thursday September, 23rd, to protest the slaughter of our people.

Community organizations, people's associations and all supporters of the silent march are calling for us to join them. Specific organizations calling for this march:
